A Family Owned & Operated Business Since 1993!

Jacuzzi Hot Tubs have told us you may be interested in learning more about Hot Tub ownership. Thank you for your interest in our passion.

In the next few days, you should receive an information package from **Jacuzzi, the brand that invented jetted hydrotherapy in 1956**, which began the modern Hot Tub industry.

My name is Devon Earnest; I represent Pools & Cues & Spas, Too, New England's award winning leader in Jacuzzi Hot Tubs sales and service. We are a family owned and operated business located in Auburn, Massachusetts. **We've been in business, in Auburn, since 1993!** We're celebrating 20 years running!

So, you may be interested in owning a hot tub. Seriously consider the Jacuzzi Brand! They have been around longer than any other hot tub company. Jacuzzi is not only the most recognized name brand in the hot tub industry, but it is also one of the most recognized name brands in the world. And they sell more hot tubs than any other company!

I'm quite passionate about selling Jacuzzi Hot Tubs and would like to explain to you all the reasons this is so. There's so much for us to teach to our consumers, and there's so much for you

to learn about hot tubs. I invite you to visit our showroom, where I or one of our friendly staff would be delighted to show all the benefits Jacuzzi Hot Tubs has to offer, as well as answer all your questions about hot tub ownership, including pricing!
